

The Berkshire Food Project seeks to alleviate hunger, food insecurity and social isolation by serving healthy, no cost meals and connecting people to other resources, all in a dignified and respectful manner

We have hired a new Executive Director, Mark Rondeau! He starts on September 13.
Thanks to all the volunteers--and for the extra efforts of staff--that brought us through these difficult months.

The Berkshire Food Project continues to provide meals to take home and heat up, every Monday, Wednesday, and Friday, from 11:30am to 1:00pm. This schedule will remain in effect for the foreseeable future.

ALL ARE WELCOME

Berkshire Food Project has served over 50,000 meals already in 2021.

To all who have helped to make this possible:

Thank you!
