## NOTE FROM OUR EXECUTIVE DIRECTOR:

I write this on the first day of spring. It's been a long winter. After two full years in COVID-19 mode, we at the Berkshire Food Project are cautiously making plans and implementing steps to move back to our original dining room format. Currently this is taking the form of cleaning out all the extra stuff that has accumulated in our hall over the past two years.

We do not yet have a definite date to reopen in-person dining. When we do we reopen, we are likely to still offer meals to go to some extent. At any rate, with the weather improving we are looking forward to the return of outdoor dining. When we do reopen indoors, it will be a very big deal and we will make sure everyone knows. As always, we thank our entire community for your wonderful support.

- Mark Rondeau

We continue to be very thankful to Caretaker Farm for their WONDERFUL Produce.

Cricket Creek Farm for their gourmet cheeses!!!
